MEMORANDUM FOR: Chairman, Fine Arts Commission
FROM : [REDACTED]
Chief, Physical Security Division, OS
SUBJECT : Employee Suggested Stickers for
Pushbutton Locks #75-464
REFERENCE : Memo dtd 2 Mar 76 for C/LSD from
C/FAC, same subject

1. It is recommended that Employee Suggestion #75-464 be accepted and implemented.

2. Although the Headquarters Notice [REDACTED] dated 15 August 1975, focused employees' attention on the proper use of pushbutton locks, it is the opinion of this office that the decals would serve as a constant reminder to users of the locks to use them only as intended.

3. The Physical Security Division concurs in recommendations contained in paragraph 2 of reference.

MEMORANDUM FOR: Chief, Logistics Services Division

SUBJECT: Employee Suggested Stickers for Pushbutton
Locks, #75-464

1. The Fine Arts Commission recommends that the signs not be used. It is doubtful that such signs would be effective in preventing security violations, and the proliferation of signs is cluttering the building.

2. In the event that the employee suggestion is accepted despite this recommendation, the Fine Arts Commission recommends that the signs be no larger than 1 1/2 inches by 3 inches and that they be placed on the inside of the door containing the lock.
